

SPECIAL ELECTION

EXECUTIVE COMMITTEE AND BOARD OF DIRECTORS

The purpose of this special election is to enable FSLB to carry out its general elections with the full participation of its general membership, and in so doing is waving its application and interview process.

SPECIAL ELECTIONS GUIDELINES

- Only full registered members are eligible to run for office.
 - Only full registered members are eligible to vote.
 - All candidates must be of good moral character
 - All candidates must have attended at least three meetings to be eligible to run for office
 - All candidates must be current with their financial obligations to the organization 3 hours prior to the time of election.
 - All candidates must declare their intentions with the EC 3 hours prior to the opening of the election process
 - All campaigning must be done prior to the declaration to open the floor for voting.
 - All candidates will be given five minutes to introduce their platform prior to the start of the election
- All voting results will be announced at the ball by the Election Chair.
- All candidates are encouraged/expected to be present at the dinner for the announcement of the results.
 - All results are final due to the special nature of this election.
 - All candidates or tickets are required to have a representative present at the counting of the ballots and must sign-off on the results to validate it.
 - All monitors are bound by strict election codes not to divulge any information to anyone for any reason except where there is proof of FRAUD and the commission must sign off on it first.
 - The election will take place during the middle of the games to ensure greater participation
 - Ballots will be counted on the premises and the results preserved for announcement later at the dinner.
 - These guidelines are only for this election cycle and will be nullified immediately after this election.
